ADA Compliance

Many of the trims and transitions offered by Futura Transitions are compatible with ADA 2010 Standards section 303 Changes in Level and section 504.5 Nosings. However, installers and contractors must ensure that the finished installation, including any Futura Transitions product complies with current ADA standards when the project specifies an ADA requirement. [For more information on ADA standards visit https://www.ada.gov/2010ADAstandards_index.htm](https://www.ada.gov/2010ADAstandards_index.htm)
